

HAWKS ALUMNI GOLF CLASSIC

Dear Community Supporters,

I hope this message finds you well. I am reaching out to invite you to take part in a very special event in honor of our son, Colton Quast.

Colton was a dedicated MHHS Hawks football player from grades 7-12. Football was his passion, and this team played a very integral role in shaping him into the incredible young man he became. This event is about more than just raising money for a high school football team. It is about raising community awareness on the importance of programs such as this, that can shape the futures of our youth by teaching them how to work with others, bounce back from setbacks, follow rules, and balance commitments. It's about fostering character, leadership, discipline, problem-solving, and healthy competition that translates to success in school, work, and life. It's about giving opportunities to families who may not have the financial means to have their child participate in team sports. It's about equal opportunity for athletes and families. It's about shaping the minds and the futures of our younger generation. The Hawks football program gave Colton the opportunity to be part of an incredible experience which helped him become a leader—both on and off the field. He truly lived and breathed the game.

Tragically, in 2020 at the age of 25, Colton lost his life in a workplace accident. In his memory, we have partnered with the MHHS Hawks Football Program to host this Golf Tournament Fundraiser. The Hawks football program relies on approximately \$50,000 annually to operate and provide opportunities for young athletes—many of whom wouldn't otherwise be able to afford to play. Colton would be so honored to be a part of this.

This tournament was a great success in 2025. Sponsorships sold out quickly and teams filled fast with a waiting list of more teams hoping to find a spot. We raised an incredible \$25,000 to assist in keeping this program running for young athletes, and we fully expect another very successful, sold-out event.

Event Details:

We are seeking sponsorships, door prizes, silent auction items, and any additional donations (to help cover tournament costs) would be most welcomed. Sponsorship recognition will include advertising at the golf course via signage and promotion on social media and our website (www.coltonhawksgolf.ca). I have attached a copy of sponsorships that are available.

We would love to have you involved in some way. Your support will not only honor Colton's memory, but it also directly impacts many young athletes each year who rely on this program to be part of something that extends well into adulthood. Please let me know if you would like to contribute or have any questions. Thank you for your time and consideration—we truly appreciate your support.

With gratitude,

Marlyn Quast-Frank & MHHS Hawks Football
